

Onwards & Upwards

3 - 5 November 2022
Crown Promenade Melbourne

WEDNESDAY 2ND NOVEMBER 2022 - PRE-CONFERENCE WORKSHOP

AEDT	CROWN PROMENADE MELBOURNE, VIC
0800 - 1700	AGES AATP Workshop (Invite Only) - Kate Martin, Chair
0800 - 1200	Merging Ultrasound and Advanced Laparoscopic Skills in Endometriosis Workshop - George Condous & Michael Wynn-Williams, Chairs
0800 - 1700	Chronic Pelvic Pain Workshop - Thierry Vancaillie, Chair
AEDT	

THURSDAY 3RD NOVEMBER 2022 - DAY ONE

AEDT	CROWN PROMENADE MELBOURNE, VIC		
0700 - 0800	Registration	Promenade Foyer	
0800 - 0930	SESSION ONE: ONWARDS & UPWARDS - A GLOBAL PERSPECTIVE		
	<i>Session Chairs: Stephen Lyons & Shami Kathurusinghe</i>	Promenade Room	
	Welcome to Country & Introduction		
	Is it time for MIGS certification for AGES? Lessons learnt from the Malaysian experience - Aizura Adlan		
	Evolution of treatment of endometriosis: where do we go from here? - Ertan Saridogan		
	The Future of Gynaecology Training - Ben Bopp		
0930 - 1030	SESSION TWO: CHAIRMAN'S CHOICE		
	<i>Session Chairs: Tony Ma & Michael Wynn-Williams</i>	Promenade Room	
1030 - 1100	MORNING TEA, TRADE EXHIBITION & DIGITAL FREE COMMUNICATIONS		
	Conference Hall & Foyer		
1100 - 1230	SESSION THREE A: FROM ONE SPECIALIST TO ANOTHER... LET'S TALK	SESSION THREE B: FIBROIDS!	
	<i>Session Chair: Rachel Green & Michael Wynn-Williams</i>	<i>Session Chairs: George Condous & Tom Manley</i>	
	Promenade 2 & 3	Promenade 1	
	Looks do matter - update on wound closure management - Sally Ng	Individualising care of women with fibroids - Ertan Saridogan	
	The other pelvic pain - perspectives on functional bowel disease - Christopher Schneider	Hysteroscopy and fibroid care - Malcolm Munro (Virtual)	
	A pain in the butt - chronic constipation, adhesions, diverticulitis and more - Adele Burgess	Large fibroid uterus hysterectomy - big problems with simple solutions - Haider Najjar	
	Too little or too much? Causes, consequences and management of iron overload and deficiency - Briony Cutts	Tackling fibroids with a twist - Danny Chou	
	Walking the line - optimising perioperative pain management - Sumi Saha	Fibroid surgery and future pregnancy implications - Kym Jansen	
	Panel discussion	Panel discussion	
1230 - 1330	LUNCH, TRADE EXHIBITION & DIGITAL FREE COMMUNICATIONS		
	Conference Hall & Foyer		
1330 - 1500	SESSION FOUR A: FREE COMMUNICATIONS	SESSION FOUR B: FREE COMMUNICATIONS	SESSION FOUR C: FREE COMMUNICATIONS
	<i>Session Chairs: Kate Martin & Keryn Harlow</i>	<i>Session Chair: Jade Acton</i>	<i>Session Chair: Kirsten Connan</i>
	Promenade 1	Promenade 2 & 3	M3 & M4

1500 - 1530	AFTERNOON TEA, TRADE EXHIBITION & DIGITAL FREE COMMUNICATIONS <i>Conference & Hall Foyer</i>	
1530 - 1700	SESSION FIVE A: PECHA KUCHA - OFFICE GYNAECOLOGY & FERTILITY <i>Session Chairs: Fariba Beniha-Willison & Haider Najjar</i> <i>Promenade 1</i>	SESSION FIVE B: PECHA KUCHA - ENDOSCOPIC SURGERY <i>Session Chairs: Helen Green & Albert Jung</i> <i>Promenade 2 & 3</i>
	Pushing the limits - office hysteroscopy - Lauren Hicks	Planning for the future - cancer and preservation of fertility - Kate Stern
	What to do? Non-surgical options for AUB - Carmen Brown	What do I do? Stage 4 endometriosis & fertility - Tom Manley
	It's her not me! Investigation of male infertility - Sarah Catford	Open for business? Assessment of tubal patency - Genia Rozen
	The microbiome - research implications for everyday practice - Lior Levy	It's in the bag! An update on power and manual morcellation - Albert Jung
	When, why & how? Androgen therapy - Sonia Davison	Keep your friends close and your enemies closer - avoiding ureteric injury during laparoscopic surgery - Bassem Gerges
	Doctor, doctor! The pathway from private practice research to higher degrees - Fariba Behnia-Willison	What to do when - a PID management update - Sarah Corbett
	More than the basics - gynaecological ultrasound for the generalist - Lufee Wong	Hysteroscopic surgery for HMB - tips & tricks, excise or ablate - Brett Marshall
	Everything up to IVF - ovulation induction for the generalist - Devini Ameratunga	That shouldn't be there! Surgical management of endometrial polyps, septae & niches - Amy Feng
	Updates on cervical screening and colposcopy care - Simon Hyde	Finding the way - evidence-based management of Asherman's syndrome - Rebecca Deans
	It's time - can I store my eggs please? - Kate McIlwaine	Please do interfere! The art of laparoscopic assisting - Jason Mak
	Location, location! - Update on non-surgical management of ectopic pregnancy - George Condous	Post laparoscopy pain reduction project (POLYPREP) - Aizura Adlan
1700	CLOSE OF DAY ONE	
1700 - 1800	WELCOME RECEPTION <i>Conference Hall & Foyer</i>	
AEDT		

FRIDAY 4TH NOVEMBER 2022 - DAY TWO

AEDT	CROWN PROMENADE MELBOURNE, VIC	
0700 - 0745	AGES breakfast session: fertility, family, and O&G	M2
0730 - 0800	Registration	<i>Promenade Foyer</i>
0800 - 1000	SESSION SIX: LIVE SURGERY - Onwards and upwards – Spotlight on Surgery <i>Session Chairs: Emma Readman & Catarina Ang</i> <i>Promenade Room</i>	
1000 - 1030	MORNING TEA, TRADE EXHIBITION & DIGITAL FREE COMMUNICATIONS <i>Conference Hall & Foyer</i>	
1030 - 1230	SESSION SEVEN A: ENDOMETRIOSIS - THE CURRENT STATE OF PLAY <i>Session Chairs: Stuart Salfinger & Dean Conrad</i> <i>Promenade 1</i>	SESSION SEVEN B: ALL THINGS PREGNANCY <i>Session Chairs: Bassem Gerges & Alan Lam</i> <i>Promenade 2 & 3</i>
	The current climate of endometriosis research: Is it clinically relevant as of yet? - Peter Rogers	A stitch in time - elective and emergency cervical cerclage - Alex Ades
	Endometriosis medical management strategies before and after surgery - Thierry Vancaillie	Doctor I'm bleeding - management of PV bleeding in pregnancy - Liz Uren

	I'm going in! Surgical strategies for minimal, mild, moderate and severe endometriosis - Jim Tsaltas	Upping the ante - laparoscopic surgery in pregnancy - Aizura Adlan
	What to do? The unexpected finding of asymptomatic or severe endometriosis at diagnostic laparoscopy - Roni Ratner	What we leave behind - management options for non-viable pregnancy and RPOC - Sam Mooney
	Fertility enhancement and preservation - what endometriosis surgeons should know - Mauricio Abrao (Virtual)	Exploring the gynaecological health implications of a suboptimal CS section technique - does it really matter? - Rachel Green
	What lies beneath - nerve-sparing endometriosis resection - Sarah Choi	When childbirth isn't a beautiful thing - caesarean hysterectomy - David Wrede
	The endometriosis multidisciplinary team - the BSGE Endo Centre experience - Kirana Arambage & Lisa Buck (Virtual)	Closing the flood gates - modern management of PPH - Kirsten Connan
	Panel discussion	Panel discussion

1230 - 1330 LUNCH, TRADE EXHIBITION & DIGITAL FREE COMMUNICATIONS *Conference Hall & Foyer*

1330 - 1530 **SESSION EIGHT: SPONSORED WORKSHOPS**

	Medtronic M9 & M10	Applied Medical M2	Avant Mutual M15 & M16	Device Technologies M11
	Hologic M5 & M6	Olympus M3 & M4	Stryker M7 & M8	

1530 - 1600 AFTERNOON TEA, TRADE EXHIBITION & DIGITAL FREE COMMUNICATIONS *Conference Hall & Foyer*

1600 - 1700 **SESSION NINE: WOMEN'S MEDICINE AND SCIENCE**
Session Chairs: Rachel Green & Stephen Lyons *Promenade Room*

	Robotic surgery - not the future, it's here! - Arnie Advincula
	Dan O'Connor Perpetual Lecture - Caroline de Costa

1700 CLOSE OF DAY TWO

1900 - 2230 AGES ANNUAL BLACK TIE GALA DINNER, AWARDS & CHARITY AUCTION *Promenade Room*

AEDT

SATURDAY 5TH NOVEMBER 2022 - DAY THREE

AEDT CROWN PROMENADE MELBOURNE, VIC

0800 - 0830 Registration *Promenade Foyer*

0830 - 1010 **SESSION TEN: ALL ABOUT THE ADNEXA**
Session Chairs: Jason Abbott & Anusch Yazdani *Promenade Room*

	I'm all in a twist - ovarian torsion management - Ertan Saridogan
	Crying over spilt milk? Decreasing the risk of upstaging ovarian tumours - Helen Green
	Missing in action? Unexpected absence of the adnexa - Stephen Lyons
	Non-tubal ectopics - is there any evidence? - Jade Acton
	Worth the effort? Tubal reanastomosis & neosalpingostomy - Tom Manley
	Is it safe to take off yet? - Surgical management of the residual adnexa - Shamitha Kathurusinghe
	Panel discussion

1010 - 1040 MORNING TEA & TRADE EXHIBITION *Conference Hall & Foyer*

1040 - 1120 **SESSION ELEVEN: THE FAST FIVE**

Session Chairs: Kirsten Connan & Michael Wynn-Williams

Promenade Room

Bringing down the curtain - bladder dissection at TLH - **Martin Healy**

Preparing for the worst - dissection of pelvic side wall vessels - **Michael Wynn-Williams**

Do no harm - ovarian cystectomy fertility preservation techniques - **Anusch Yazdani**

Finding my frenemy - ureteric dissection techniques - **Charlotte Reddington**

A primer - endometriosis resection - **Russell Dalton**

Panel discussion

1120 - 1300 **SESSION TWELVE: NOT JUST A BAD COLD. LIVING WITH COVID-19**

Session Chairs: Stephen Lyons & Shami Kathurusinghe

Promenade Room

COVID-19 - where to from here? - **Norman Swan**

When TikTok is life: The impact of social media disinformation on health care delivery in Australia- Insights from the AMA - **Steve Robson**

Improving health, building hope and The Kindness Pandemic - **Catherine Barrett (Virtual)**

One variant away from disaster - **Sanjaya Senanayake**

1300 - 1330 **SESSION THIRTEEN: PRESIDENT'S PANEL MODERATED BY NORMAN SWAN**

Promenade Room

Panellists: **Aizura Adlan, Catherine Barrett, Steve Robson, Ertan Saridogan, Sanjaya Senanayake**

1330 **CLOSE OF CONFERENCE**

1330 - 1400 **LUNCH ON THE GO**

Promenade Room

AEDT

Program correct at time of publication and subject to change without notice. Updates available on the AGES website.

POSTERS

Crown Conference Hall & Foyer

Laparoscopic pectopexy: An Australian approach without the use of surgical mesh or tape
Sophie Doherty

A case of delayed diagnosis of complete molar pregnancy with rapid progression to invasive mole
Charmian Eng

Venous Thromboembolism in Large Benign Pelvic Masses: A Case study
Rebecca Everist

Adnexal torsion diagnosis and management – audit of protocol implementation and outcomes
Maisie Hands

Uptake of outpatient hysteroscopy in Australia - have we fallen behind?
Lauren Hofmann

Laparoscopic management of tubo-ovarian abscess: tips and tricks to help navigate the surgical minefield
Cherynne Johansson

Clinical diagnosis of an abdominal wall endometrioma: a case report
Melissa Lin

A systematic review to determine optimal diagnostic assessment tools to detect pelvic floor myofascial pain
Basia (Barbara) Lowes

Approach to Laparoscopic Hysterectomy complicated by a Cervical Fibroid
Basia (Barbara) Lowes

Management of Tubo-ovarian abscess: A Case Series
Roisin McConnell

Gynaecological robotic surgical exposure in Australian advanced endoscopic trainees and fellows
James Morong

Ethnic Variation of Endometriosis – A 24-month retrospective review
Anastasia Osadchuk

Leaving port: strangulated hernia at 5mm port site post laparoscopic myomectomy
Lucy Owens

Delayed laparoscopic hysterectomy for placenta accreta
Inge Putri

Tubo-ovarian abscess and septic shower: double threats for the advanced laparoscopic surgeon
Tanushree Rao

Hysteroscopic metroplasty for a dysmorphic T-shaped uterus. A valid intervention for a selected group of patients?
Lionel Reyftmann

Recurrent implantation failure associated to morular endometrial metaplasia, and hysteroscopic management
Belinda Vermeij

Hysteroscopic Management of Retained Products of Conception: A Systematic Review
Cassandra Taylor

Caesarean section defect: a laparoscopic approach to repair to improve fertility
Madeleine Ward

Red herrings and acute superior mesenteric artery occlusion
Lily Xu

FREE COMMUNICATIONS

SESSION 2: CHAIRMAN'S CHOICE

Thursday, 3rd November
0930 - 1030
Promenade Room

Pre-clinical evaluation of immune response to stem cell boosted degradable nanostructured surgical constructs for pelvic organ prolapse
David Hennes

Robotic Intrafascial colpotomy, edge to edge vaginal cuff closure plus peritoneal graft (IFC E2E + PG) for concurrent hysterectomy with sacrocolpopexy to minimise vaginal vault mesh erosion
Assem Kalantan

Histological effect of fractional CO₂ laser in postmenopausal vaginal epithelium: a double-blind sham-controlled randomised trial
Fiona Li

The National Endometriosis Clinical and Scientific Trials (NECST) Registry
Cecilia Ng

Neuropelveology: Robotic decompression of the sciatic nerve secondary to vascular entrapment
Mikhail Sarofim

MACH – Methoxyflurane Analgesia for Conscious Hysteroscopy: a double-blind, randomised controlled trial – an interim analysis
Emily Twidale

SESSION 4A

Thursday, 3rd November
1330 - 1500
Promenade 1

Oral Glucose Tolerance Tests and Lower Urinary Tract Dysfunction
Candice Anderson

Perioperative operative outcomes of Robotic Sacro-colpopexy with Rectus Autologous Fascia (SCARF) graft for the management of apical pelvic organ prolapse : a prospective observational study
Felix Chan

A Rare Case of Intramyometrial Pregnancy
Pinar Cingiloglu

Coaching from the couch - Evaluation of the introduction of an Australia and New Zealand wide remote video based coaching program for laparoscopic gynaecological surgical training
Sean Copson

Medical management of secondary postpartum haemorrhage
Rachael Fox

Strengths and Limitations of Various Detection Methodologies for Microbiome Study in Endometriosis.
Tarana Lucky

Surgical management of Cornual ectopic pregnancy
Svetha Rao

Identification of ureters with ICG dye in benign gynaecology
Tanushree Rao

SESSION 4B

Thursday, 3rd November
1330 - 1500
Promenade 2 & 3

Chronic Pelvic Pain: Does menstrual frequency predict pain scores in those using the Levonorgestrel intrauterine device?
Samantha Mooney

A feasibility study to examine the link between longitudinal environmental exposure and endometriosis phenotype
Blake Knapman

External validation of the "2021 Endometriosis Classification": a retrospective cohort study
Jason Mak

The prediction of surgical complexity using the "2021 AAGL Endometriosis Classification": an inter- and intra-observer reproducibility study
Jason Mak

Surgical Coaching in Endometriosis – The Midlands Advanced Laparoscopic Endometriosis Training Program
Tavaziva Mudzamiri

Influence of Tubal Patency on Endometriosis Recurrence: a Retrospective Matched Case-control Study
Sofie Neutens

Should we abandon the wording of cornual pregnancy and prefer the term of eccentric pregnancies?
Lionel Reyftmann

Docking in 60 seconds - is this the death of laparoscopic surgery?
Jessica Robertson

SESSION 4C

Thursday, 3rd November
1330 - 1500
M3 & M4

A prospective study of bladder function following endometriosis surgery with up to 8 years follow-up
Kimberly Nguyen

Intrafascial Hysterectomy
Nancy Peters

Laparoscopic Sacrocolpopexy using a Biologic Graft – A video presentation
Charlotte Rook

Interim Analysis - Sexual Function after laparoscopic/robotic sacrocolpopexy – a marker for mesh related complications
Mikhail Sarofim

The Myometrial Cervical Ratio: Can a simple sonographic measurement improve diagnosis of adenomyosis in a regional setting?
Helen McNamara

Management of Premalignant Changes in Ovarian Endometriosis
Kiran Vanza

When it rains it pours: A rare case of stage 4 Endometriosis with recurrent ascites, pleural effusions and hepatic lesions.
Lima Wetherell

Virtual reality and its use in post-operative pain following laparoscopy: a feasibility study.
Lima Wetherell

DIGITAL FREE COMMUNICATIONS

Thursday, 3rd November
Morning Tea, 1030 - 1100
Crown Conference Hall & Foyer

When aberrant anatomy and endometriosis intersect: a case of gynaecological problem solving
Katie Christensen

Spiders and mushrooms – reporting bowel endometriosis shape on preoperative MRI corresponds to surgical complexity
Sean Copson

Management of secondary postpartum haemorrhage; a systematic review
Rachael Fox

DIGITAL FREE COMMUNICATIONS

Thursday, 3rd November
Lunch, 1230 - 1330
Crown Conference Hall & Foyer

High Uterosacral Suspension Technique
Bavelin Gill

Management of a Caesarean section scar endometrioma
Vanessa Gray

A Case of Disseminated Intravascular Coagulopathy Following Endometrial Biopsy
Britt Haller

Public funding of outpatient vs inpatient hysteroscopy services: A comparative assessment of selected countries
Marianne Huynh

Hand Assisted Laparoscopic Myomectomy
Galabadage Jayasinghe

The Trabeculae Study - is it a diagnostic tool?
Catherine Lawrence

Caesarean scar pregnancy in a large Australian tertiary hospital: A cohort study
Lily Liew

Post-laparoscopic shoulder pain in Gynaecological laparoscopy: A narrative review
Stewart McNamara

DIGITAL FREE COMMUNICATIONS

Thursday, 3rd November
Afternoon Tea, 1500 - 1530
Crown Conference Hall & Foyer

Double, Double Trouble
Stella MeiMei Ho

The "Rendezvous" Technique for Caesarean Scar Defect. Combined Hysteroscopic and Robotic Repair.
Kusam Nagi

What's out there? A systematic review of the efficacy and availability of targeted treatments for central sensitisation in women with endometriosis
Moira Philip

DIGITAL FREE COMMUNICATIONS

Friday, 4th November
Morning Tea, 1000 - 1030
Crown Conference Hall & Foyer

The effect of obesity on cost of total laparoscopic hysterectomy
Vinita Rajadurai

Davinci Robotic Port Sites – New Configurations For Cosmesis
Jessica Robertson

DIGITAL FREE COMMUNICATIONS

Friday, 4th November
Lunch, 1230 - 1330
Crown Conference Hall & Foyer

Onwards from opioids: Study design of Lignocaine to improve pain outcomes for women undergoing gynaecological surgery. A double blinded randomised control trial
Sasha Skinner

Obstetric Outcome after Surgical Treatment of Endometriosis: A literature review
Samantha Mooney

Anatomy of the vesico- vaginal fascia and its relation to branches of the inferior hypogastric plexus
Douglas Stupart

Onward and Upward. But we need help with our approach
Philip Suisted

Sonographic characteristics of isolated fallopian tube torsion compared to ovarian and adnexal torsion – a retrospective comparative trial
Rina Tamir Yaniv

From the Sublime to the Ridiculous: Videos of the extremes of excision of rudimentary uterine horn
Kate Tyson

The 'AccesSim' Study - Motivators and barriers to access, and engage in laparoscopic simulation training in O & G – a study to understand trainees' and trainers' perspectives in Australia and New Zealand
Saima Wani

A tale of two cities; A difficult case of laparoscopic and hysteroscopic management of caesarean scar pregnancy with dense pelvic adhesions.
Stella MeiMei Ho

DIGITAL FREE COMMUNICATIONS

Friday, 4th November
Afternoon Tea, 1530 - 1600
Crown Conference Hall & Foyer

When you see nothing at all: Outcomes following a negative laparoscopy. A review
Lucy Steele

Surgical management of bowel endometriosis. An overview of practice at Sydney Women's Endosurgery Centre
Kusam Nagi

Centralisation of endometriosis care in New Zealand/Aotearoa: the Waikato Model
Sofie Neutens

Determining a threshold measurement of Endometrial Thickness for Asymptomatic Postmenopausal Women: A single-centre case series
Amy Stewart

Medtronic

Engineering the extraordinary

Better for Women

Bringing choice, control and confidence to women's health.

It's time we work together to do better for women by providing the healthcare they deserve. To ensure there's no place for compromise, let us tell you about how we're bringing choice, control and confidence to women's healthcare.
